**"AN ACT CONCERNING DEPARTMENT OF TRANSPORTATION
PROJECT DELIVERY."**

1 After the last section, add the following and renumber sections and
2 internal references accordingly:

3 "Sec. 501. Section 13b-15a of the general statutes is repealed and the
4 following is substituted in lieu thereof (*Effective from passage*):

5 The Commissioner of Transportation may designate the Hartford-
6 New Britain busway project to be accomplished on a total cost basis. If
7 the commissioner designates the Hartford-New Britain busway project
8 as a total cost basis project, the commissioner may enter into a single
9 contract with a private developer, which includes such project
10 elements as engineering design and construction. The contract for said
11 project shall be based on competitive proposals received by the
12 commissioner, who shall give notice of the project and specifications
13 for the project, by advertising, at least once, in a newspaper having a
14 substantial circulation in the Hartford-New Britain area. Award of the

15 total cost contract shall be based on qualifications, technical merit of
16 the proposals and cost. The commissioner shall determine all criteria,
17 requirements and conditions for such proposals and award and shall
18 have sole responsibility for all other aspects of the contract, provided
19 such contract shall provide for no less than seventy-five per cent of the
20 jobs related to such contract be held by state residents. If applicable,
21 the contract shall state clearly the responsibilities of the developer to
22 deliver a completed and acceptable project on a date certain and the
23 maximum cost of the project."

This act shall take effect as follows and shall amend the following sections:
